To: Parents of PISD Students  
From: Mike Jackson  
Date: February 2, 2010

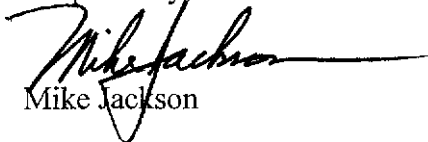

Dear Parents,

A scheduled day of instruction was cancelled due to inclement weather on January 28, 2010. State statutes require that this day be made up. Two days were designated in the 2009-2010 school calendar as weather make-up days—April 2, 2010 and May 7, 2010. Because April 2<sup>nd</sup> is Good Friday and therefore a significant holiday for many of our patrons and staff, we attend school on Friday May 7<sup>th</sup> to make up the lost day of instruction.

If school has to be cancelled on another day this spring, I will be required to designate April 2<sup>nd</sup> as a make up day as well.

I hope this information is helpful as you make future plans for your family this spring.

Respectfully,

  
Mike Jackson
