[Medications at School](#)

Prescription or non-prescription medications may be given to your child at school providing the following rules are followed:

- *The parent must complete the [MEDICINE](#) form or send a note stating the physician instructions concerning dosage amount and scheduled times.
- *The medication is to be sent in the original clearly labeled bottle.
- *At the end of the year, a parent must pick up remaining medications. Medication left in the nurse's office will be discarded.
- *Parents of students with [asthma](#) who need to carry an [inhaler](#) should phone the nurse of their child's campus to arrange permission.
